

# THE BEGINNING...

**The future Sport and play ground was a moldy moorland  
at the beginning of June 2009.**

# During the work...

Step by step the first construction works were made - leveling, lifting and construction of the underground and other works.

The President of the district Singerei, Mr. Vasile Doga (the first from the right) supervises the construction works

Our students are active implied in the working process.

# SPORT AND PLAY GROUND FOR THE DAY CARE CENTER "ST. MARIA", GRIGORAUCA
